

MALTZAHN

Dear Customer

The Vischer-Caravelle BV, manufacturer of automobile mats and home textiles, based in Genemuiden, Netherlands, will take over Maltzahn Carpet Innovation GmbH based in Nottuln, Germany, via their subsidiary company, Rotar BV from the first September 2011 on.

The Maltzahn Carpet Innovation GmbH is specialized in printing and dyeing of high quality tufted carpets for hotel and business constructions. Also provide the company B2B Customers with winchdye and Printing on commission. Due to this specific know-how and the investments in a new printing technology by the buyer, the company will be better positioned for the future and will also be able to offer its customer a wider range of products.

The investments into the new printing technology will be made within the next year. This technology will make it possible to fulfill individual customer needs more flexible. In addition, this new technology will achieve new possibilities in environmental protection by needing less water, chemicals and energy. According to the conception of Vischer-Caravelle about 50 employees can keep their place of work.

The seller, Mr. Jaspar von Maltzahn, and the buyer, Mr. Gerard van Daltsen, came to an agreement after intensive negotiations about the procedures of the acquisition. Both parties are glad about the result which assures the continuity of the enterprise. The company will still be based in Nottuln under the known name and will be directed in the future by Mr. Johan Paesen.
